IMPORTANT! Federal law requires that tire identification numbers must be registered for your safety. Please fill out the form below and return it to Alcom LLC with your trailer warranty.

The Tire Identification Number (TIN) is generally located on the outside of your tire. It begins with the letters DOT and will be followed by 8 to 10 digits. The second to last digit will usually be 0. Please be sure to record all numbers accurately, as these will help us notify you in the event of a safety recall from the tire manufacturer.
